

This Privacy Policy explains the types of information that this extension may collect and how that information is used, stored, and protected. By using this extension, you are agreeing to the terms of this Privacy Policy.

Information Collection and Use:

During the setup process, the extension may ask for certain information such as a name and zip code. This information is collected for the purpose of customizing the user's experience with the extension. This information is only stored locally on the user's device and is not shared with the developers or any third parties.

No Personal Information Collection:

The extension does not collect any personal information that is not provided by the user during the setup process. This includes, but is not limited to, browsing history, search queries, and any other information that is not voluntarily provided by the user.

Data Storage and Protection:

The information that is collected and stored during the setup process is stored locally on the user's device. The extension implements reasonable security measures to protect the information from unauthorized access, alteration, or destruction.

Changes to this Privacy Policy:

This Privacy Policy may be updated from time to time. The latest version of the Privacy Policy will always be available on this page. By using this extension, you are agreeing to the terms of the latest version of this Privacy Policy.
